Congratulations to our Challenge Team Captains for this season, they have all been great ambassadors for the Club throughout the year and I would like to wish them all the best in leading their respective teams on Saturday.

The Teams challenge is all about the nippers having fun. It is the first time this format has been run and it will be a learning experience for the kids as well as myself and the team on the beach, so I ask for your understanding and patience on the day.

The long range forecast for Saturday is mostly sunny with a top temperature of 23, with light winds tending southeasterly up to 35 km/h during the afternoon. It promises to be a great day.

cheers
