

Chelsea Nipper News – Edition 8 - March 2011

Chelsea Longbeach Club Championships

The teams challenge details:

Date: Saturday 26 March 2011
Time: 1pm (until all events are completed)
Registration 12.30 – 12.50pm
What to bring: Swimwear, age caps, Club rash vests, goggles, towel, drink bottle.

The Club Championships will be run in accordance with the Club by-laws with nippers competing in the following four age categories:

6	8	10	12-14
---	---	----	-------

There are four separate events that nippers are encouraged to take part in as part of the Club Championships. The timetable for the age groups and their respective events are as follows:

Flags*	Sprints*	Board*	Swim*
6	8	10	12-14
8	6	12-14	10
10	12-14	8	6
12-14	10		8

**Please note that as nipper numbers in each of the age groups are different there may be occasion when age groups will have to wait for the preceding group to finish. If parents and nippers find themselves waiting then they will be encouraged to cheer on their Club mates.*

The beach will be marked out and prepared for all events. Registration is from 12.30pm to 12.50pm and I will give a brief overview of events for the day and then we will start at 1pm. Parents are asked to help out where needed and to encourage their children to support the other nippers.

The long range forecast for Saturday is cloudy, isolated showers with winds west to southwesterly averaging 10 to 20 km/h.

cheers
